

Overly Honest Coworkers

By: Tino Gonzalez-Kakouris

INT. Office

(OPEN ON: JOHN and GREG standing by the office water cooler. RYAN walks up to join in on the conversation.)

RYAN

Hey, how are you guys doing? I'm Steve - I'm the new guy that just started in finance.

GREG

Hey, welcome aboard. I'm Greg.

JOHN

John. Which firm did you come from?

RYAN

(Laughing)

No way! Are you serious?

JOHN

Pardon?

RYAN

It's me, Ryan!

JOHN

Ryan?

GREG

Greenberg?

RYAN

Yeah you knuckleheads! I just shaved my beard for Movember. I know, I look completely different! I can't believe it myself.

JOHN

Nah, no way. You can't be. Greenberg's a total dweeb.

GREG

Yeah, Greenberg's a fucking tool.

RYAN

Wait, what?

GREG

Walking around this office with that goofy-ass beard.

JOHN

Oh my God, remember that time for Brenda's birthday we ordered that cake and Greenberg got vanilla frosting all over his beard?

GREG

Holy shit, that's right! I almost pissed my pants that day. He literally sat through the whole client meeting with frosting in his beard, and when he left the client asked "what's up with jizz beard?"

JOHN

That was fucking classic!

RYAN

Jizz beard?

GREG

How about when Charlie stepped in dog shit, so he cleaned his shoe by smearing it under Greenberg's desk!

RYAN

Is that why it always smells like shit around my desk?

GREG

HR had to host a seminar about personal hygiene and cleanliness because they thought he would shit his pants every day.

JOHN

Seriously? Oh, that's genius.

GREG

Yeah, what a loser, and I can't stand how he walks around here cracking the dumbest jokes thinking he's a comedian.

JOHN

Ugh he's the fucking worst!

GREG
(Imitating Ryan) "Hey dudesters,
what's up? The sky? Just joshing,
I'm so bananas!"

JOHN
That's amazing! What about "See ya
laters, going home to the Mrs. for
some magic time.
Bow-chicka-bow-bow."

GREG
Oh, gross. Yeah, him and everyone
else in the office.

JOHN
You too? I've been sleeping with
Patty for a few months now.

GREG
Are you kidding? She's been with
all of us: Steve, Adam, Tim, Raul,
Charlie, and apparently Rebecca
too.

RYAN
No way.

JOHN
No way! That's awesome!

GREG
Yeah man. It's so pathetic how he
doesn't know. I mean, she even
convinced the guy how they both got
crabs from a dirty jacuzzi on
vacation when really she slept with
half the hotel staff.

JOHN
That's right! I forgot why everyone
called her "Crabby Patty".

GREG
(Pirate voice) "Are you ready kids?
Aye, aye captain."

JOHN
(Laughing) Holy shit dude, stop.

RYAN
Yeah, stop!

JOHN
Poor Greenberg. Man, that guy is clueless.

RYAN
But guys, it's me. John, our sons play on the same little league team together.

JOHN
Oh God, I forgot about his son. Hope he doesn't grow up to be as big of a loser as his father.

GREG
You mean biological father? Crabby Patty still hasn't revealed who the real father is.

JOHN
Damn that's harsh.

GREG
And hey, just between us, she told me how she was plotting to kill him so she can keep the house, the kid, and not have to deal with his annoying whinny voice.

RYAN
(Frantic) How is she going to kill him?!

GREG
Ah, it's none of my business really. I shouldn't gossip anyway.

JOHN
Yeah, you're right.

GREG
Well, Steve was it? Great to meet you. We'll see you around the office!

(BLACKOUT)
