

SOUTH PARK
"P.E.N.I.S Challenge"

BY
Tino Gonzalez-Kakouris

ACT I

INT. LOCAL BAR.

The South Park men are crowding around Stephen Stotch watching a video of Butters on his phone.

BUTTERS

WELL, HELLO EVERYBODY. MY NAME IS BUTTERS AND I HAVE BEEN NOMINATED BY MY DAD TO TAKE THE ALS ICE BUCKET CHALLENGE. ALS IS A JUST A, WELL IT'S A JUST TERRIBLE DISEASE AND I WANT TO HELP PEOPLE AND THEIR FAMILIES.

Cut to the men at the bar.

JIMBO

Wow, that's great your son is such an activist Stephen.

STEPHEN

Well that's my Butters. He's really taken an interest in this charity.

Back to video on youtube.

BUTTERS

And I'd like to nominate my very best friends for the challenge: Stan Marsh, Kyle Broflovski and Eric Cartman. You have 24 hours to take the challenge.

Butters lifts up a bucket of ice water and raises it over his head. A little water splashes on his head.

BUTTERS

Oh my! That water is really, really cold! Does the water need to have this much ice?

STEPHEN

Butters, quit being a little bitch and dump the bucket of ice water over your head.

Randy walks over to the men watching the video.

RANDY

Hey, what are you guys watching?

GERALD

Little Butters is doing the Ice Bucket challenge.

RANDY

Ice bucket challenge? Wh-what is that?

STEPHEN

It's an internet challenge to raise awareness and donations for ALS.

RANDY

(under his breath) What the fuck is ALS?

Back to video.

BUTTERS

But I don't wanna. It's too cold and will make my head hurt.

STEPHEN

Oh real nice Butters. So you don't want to save thousands of lives because you're afraid to get your head cold?

BUTTERS

I want to help, but can't I just donate money to the charity instead?

STEPHEN

Butters! You pour that bucket of ice water over your head right now, or you are grounded Mister.

BUTTERS

Oh hamburgers. (Pours bucket of ice) Owee! Ouch it hurts! My head is frozen. Ahhhh the pain! (sobs) I can't feel my head! I'm numb, numb all over!

Back to bar.

GERALD

Wow, good for him!

STEPHEN
That's my Butters!

MR. TESTABURGER
That's some inspiring stuff.

RANDY
(Confused) So how does pouring a bucket of ice water over your head cure a disease?

MR. MACKEY
It's not about curing the disease, but spreading awareness m'kay? ALS is um, bad. M'kay?

STEPHEN
The ALS Ice Bucket Challenge was started by using YouTube to get celebrities and people everywhere spreading the message of ALS to get people to donate.

GERALD
If someone accepts and completes the challenge they can then nominate others to dump ice water on their own head and donate to the ALS foundation.

RANDY
Oh, is that right?

INT. SCHOOL CAFETERIA.

CARTMAN
Oh my God, you guys. The VMA's were so lame! It was just a bunch of nobodies trying to be famous by wearing the least amount of clothing.

CRAIG
Did you see that Kanye West announced he's running for president?

CARTMAN
Ugh, that is so stupid. First of all, why did the pussy say he's waiting to run for office in 2020? He obviously knows Donald Trump would beat his ass.

KYLE

Donald Trump is...

CARTMAN

(Interrupting) And secondly, Kyle, Kanye would never win because the U.S. will never allow a black man to be president.

TOKEN

Then what do you call President Obama?

CARTMAN

Jesus, Token. We've been through this before: Barack Obama is only half black, so he's not as intimidating as a full on black. You think they'd allow a full black guy in the white house?

KYLE

What?

CARTMAN

It's true. His mother is some white chick from Kansas. So, sorry to break your balls Token, but whites win again.

KYLE

That is the most racist thing I've ever heard.

CARTMAN

Oh, what Kyle? You want butthole Kanye West to be our president?

KYLE

No. I think he is an arrogant idiot who's only trying to gain more fame by being a retard. Neither him nor Donald Trump should be considered. Trump is just a washed up racist billionaire who's bored and wants to take a shot at winning the election.

CARTMAN

Donald Trump is an American icon and legend. His white Christian values are something to be inspired by and best of all he wants to send

(MORE)

CARTMAN (cont'd)
all those no good dirty Mexicans
back across the border.

KYLE
God damnit Cartman!

Butters walks up to the table with his lunch.

BUTTERS
Well, hey there fellas. You guys
ready for the challenge?

CARTMAN
What are you talking about gaywad?

BUTTERS
The Ice Bucket Challenge. I
nominated you, Kyle and Stan.

CARTMAN
The Ice what challenge?

STAN
Oh, no. I'm not getting into that
crap.

BUTTERS
It's this thing you do where you
pour a bucket of ice water over
your head to save people from ALS.

STAN
Pouring a bucket of ice over your
head doesn't save lives, Butters.
It just makes you an asshole.

CRAIG
If someone nominates you, you have
to do the challenge.

STAN
Shut up Craig!

CARTMAN
Yeah, shut your fucking mouth
Craig. So let me get this straight:
people are doing stupid things on
the internet to make themselves
look like idiots AND giving money
away to charities?

KYLE

It's supposed to raise awareness
and get people to donate, fat ass.

CARTMAN

Don't lecture me on donating, Kyle.
We all know jews are money hungry
selfish thieves who hoard their
money like greedy little squirrels.
Jews don't give their money away to
charity because they have no hearts
and don't care about anyone else
but themselves.

STAN

Lay off of him dude.

CARTMAN

No? Don't think I'm right? Then why
haven't you donated to this ASL
charity yet, Kyle?

KYLE

Because I think it's stupid to dump
ice over my head.

CARTMAN

Because you're a greedy little jew
squirrel with no heart!

KYLE

God damnit Cartman!

BUTTERS

ALS is a great charity to donate to
fellas. You should consider the
challenge.

CARTMAN

Well since I'm not a thieving jew
I'll accept your challenge Butters
and happily donate, but you have to
help me with something first.

BUTTERS

Sure, what is it Eric?

CARTMAN

No time to explain now. Meet me at
my house after school. Gentlemen,
jew.

EXT SCHOOL YARD

Everyone around South Park is catching word of the Ice Bucket challenge and nominating others to partake in the trend.

MR. MACKEY

This is going to be pretty cold, M'kay, but I'd like to nominate Mr. Garrison to do the Ice Bucket Challenge to eliminate ALS, M'kay. (Pours bucket) Oh boy! That's cold. M'kay, someone get me a towel.

Mr. Mackey dumps the ice water over his head and the scenes to follow repeat the steps.

MR. GARRISON

My name is Herbert Garrison and I'd like to nominate Mr. Slave to complete the Ice Bucket Challenge.

MR. SLAVE

Oh Jesus, I've been nominated to take the Ice Bucket challenge and I'm nominating Towelie. (Pours bucket) Oh Jesus, Jesus Christ!

TOWELIE

Hi I'm Towelie and, and I'm super high. There's a bucket of water here and I think I'm supposed to do something with it. Hey, maybe if I get more high I can remember! (smokes weed) Hey, I have an idea! What if we pour this water on a cute little gremlin?

GREMLIN

(Here we see a gremlin from the 80s movie talking cute gibberish. The gremlin then pours a bucket of water on itself to take the ALS challenge but turns into an evil Gremlin and attacks the person videotaping the challenge, kills him and runs away).

EXT SOUTH PARK POND

Kyle, Kenny and Stan are walking to the pond to test out their new remote control speedboats, but are caught by a surprise.

KYLE

Dude, I can't believe you got the new Speed Ripper 3000! They're sold out everywhere.

STAN

Yeah, apparently my parents ordered it off Amazon the day it came out to arrive for my birthday.

KENNY

(muffled speech) I heard these things kick ass.

KYLE

Yeah, I heard it gets up to 30 miles per hour.

STAN

Dude... What the hell?

The boys arrive to the pond to see that it is drained and bare of all water leaving dead fish as a result.

KYLE

What happened? Where's all the water?

KENNY

(Muffled speech) When did this happen?

STAN

I don't know dude, I came here a few weeks ago to go fishing with my dad.

KYLE

The poor animals, they're dying.

UNKNOWN

"Hukaaaaah, hukaaaaah!"

The boys hear a strange sound in the distance.

KENNY

(Muffled speech) What the fuck is that?

KYLE

It's coming from over there.

UNKNOWN

"Hukaaaaaaaaah!Huk-aaaaaaaaahh!"

STAN

Oh, no.

AL GORE

"Hukaaaaaah!" Boys! Be careful, he might be lurking around.

KENNY

(Muffled speech) Who's lurking around?

AL GORE

(Scoffs) Manbearpig, of course! Why do you think the pond here is all dried up? Who do you think is responsible for causing such destruction to the environment? I'll tell you who: Manbearpig.

KYLE

What?

AL GORE

I'm super cereal. Manbearpig is trying to destroy all the humans by causing global warming and he's only getting stronger!

STAN

Nope. We're not doing this again.

AL GORE

I've been trying to warn people about this for years, but no one takes me cereal! You guys have to believe me. You're looking at the proof right in front of you.

STAN

Last time we tried to help you catch this thing you almost got us killed!

AL GORE

I was trying to save the human race from Manbearpig. I'm sorry I almost got you killed, but this is cereal. I'm super cereal he is going to kill us all if we don't put a stop to him and end global warming right now, I'm cereal!

STAN

Dude, get away from us.

AL GORE

Don't you want to help these animals? Would you rather them just die here? Think about all the other animals that will die if we don't put an end to this. Look, I'm cereal guys, Manbearpig must be stopped. Won't you help me? If not for the safety of your own lives, then at least do it for these poor animals.

KYLE

Dude, maybe we should help him.

STAN

Are you serious? This guy is nuts!

KYLE

But he has a point, how can we just let these animals die? Besides, he's the former Vice President. I'm sure he can get us government clearance to speak to someone about all this.

STAN

Ugh, fine!

KYLE

Alright, we'll come with you Mr. Gore. Just tell us what to do.

AL GORE

Are you cereal?

STAN

Yes, we're fucking cereal!

AL GORE

Then there's no time to waste. Excelsior!

ACT II

INT CARTMANS HOUSE

CARTMAN

Butters, hey! You're just in time. Thanks for coming.

BUTTERS

Well, sure Eric. You said to come over because you needed my help?

CARTMAN

I do. It's regarding something very important. You see, I haven't been honest with a lot of my friends, but I feel like I can trust you. I can trust you, right Butters?

BUTTERS

Of course you can.

CARTMAN

Sweet. You've been a great friend to me, and what I'm about to tell you - I've never told anyone else.

BUTTERS

What is it Eric?

CARTMAN

Butters, I have a rare disease that I've suffered through all my life. It has caused me a lot of pain, but I'm finally brave enough to openly talk about it and share my story with the world. It's called Panda Express Nausea Indigestion Syndrome or P.E.N.I.S.

BUTTERS

Oh my!

CARTMAN

It's a serious disease! Every time I eat Kung Pao Chicken from Panda Express I get terrible diarrhea. It's Goddamn painful I tell you. Do you know what it's like to vomit from your butt hole? Well, do you?

BUTTERS

Oh, that sounds horrible!

CARTMAN

It is horrible! Doctors haven't found a cure for it yet, but I'm hoping to raise enough money from people on the internet to finally put an end to my torment. I dream of the day where people like me who

(MORE)

CARTMAN (cont'd)
suffer from P.E.N.I.S can finally
eat Panda Express without having to
shit their lives out. It's a
beautiful dream, but one that is
yet to exist. That's why I need
your help to assist me in creating
the challenge video for my cause.

BUTTERS
Challenge video?

CARTMAN
Butters, you inspired me when you
first introduced me to the ALS Ice
Bucket Challenge. I figured, hey,
if that one ALS guy can get a bunch
of people to pour water over their
heads and donate to his charity
then why can't I do the same?

BUTTERS
Well, sure I can help you Eric.

CARTMAN
You're a true friend. You're doing
the world, and my butthole, a great
service. So just come right over
here and stand on the "x" that I've
marked on the floor. Cool. Now look
at the camera when you speak and
just read what's on the
teleprompter, okay?

BUTTERS
Ok. Hello, my name is Butters and
I'm here today to talk about my
dear friend Eric who's suffering
from P.E.N.I.S. Eric has been
suffering his whole life from this
terrible disease and we need people
like you to donate in his name.
Please, won't you accept this
challenge and donate to help find a
cure?

CARTMAN
You're doing great Butters. Now
just stand there for a second while
I come over and...

Cartman takes out a hammer and hits Butters in the crotch.

BUTTERS
AAAAAAHHHHHHH! My weener!

CATMAN
Very good Butters, you've finished
the challenge.

BUTTERS
You broke my weener! Why Eric, why?

CARTMAN
Butters, stop being such a little
bitch and take it like a man.
You're doing this to raise money
and potentially save my life. Have
some self respect, for Christ sake.

BUTTERS
Oweee. (Crying)

CARTMAN
(Talking to himself) Excellent. Now
to just upload this video to the
internet and let the money come
rolling in.

INT MARSH RESIDENCE

RANDY
Oh, hey Shelley, pumpkin. Hey, did
you by any chance get nominated to
do the Ice Bucket challenge?

SHELLEY
Yes Dad. I took the challenge a few
months ago.

RANDY
Oh so you already nominated other
people to take the challenge?

SHELLEY
Yeah, so?

RANDY
So you didn't think of your own
father when nominating people?

SHELLEY
I only nominated girls, Dad! I
nominated Mom if it makes you feel
any better.

RANDY

You did?! Oh great, thanks hon.
Sharon? Sharon! You've got to
nominate me for the Ice Bucket
Challenge.

SHARON

What? Why?

RANDY

Because Sharon, I need to be
nominated to so I can take the
challenge myself and show all my
friends online how much of a
humanitarian I am.

SHARON

Well I've already uploaded a video
of myself taking the challenge and
nominated Sheila and Linda. I
didn't think you'd be interested in
such a thing.

RANDY

Not interested? God! Well of course
I am Sharon. I'm a good guy,
remember?

SHARON

Well then why don't you just donate
to the ALS foundation?

RANDY

What's the point in that? Why would
I just throw my money away to some
charity I don't know about without
reaping any benefits?

SHARON

Because that's what donating to
charity is all about. What benefit
do you get from dumping water on
your head?

RANDY

The benefit that everyone knows I'm
a charitable guy!

SHARON

That's ridiculous!

RANDY

Oh, is it Sharon? Then why did you take the challenge yourself?

SHARON

Because I had researched ALS, and wanted to support our daughter by teaching her the lesson of donating. If that means dumping a little water over my head so she learns, then so be it.

RANDY

Well thanks a lot for including me in this life lesson for our daughter, leaving no one to nominate me to take the challenge.

SHARON

Where are you going?

RANDY

I'm going to go find someone who cares enough about me to nominate me for the challenge.

INT CONGRESS, WASHINGTON DC

KYLE

Hello council. My name is Kyle Broflovski and I've come here today all the way from Colorado to ask for your help. It seems Colorado is in a terrible drought and all the water is drying up. We need specialists to come inspect the problem before it is too late for our environment and wildlife.

COUNCIL MEMBER

And what do you think is causing this problem?

KYLE

I don't know. I guess there's a lack of...

AL GORE

Manbearpig!

STAN

Oh God.

COUNCIL MEMBER

What's that?

AL GORE

It's Manbearpig. He's the one causing global warming and trying to kill us all.

COUNCIL MEMBER

What's a man-bear-pig? Is it half pig/man and half bear?

AL GORE

No. He's half man, half bear and half pig.

COUNCIL MEMBER

How is that possible? How can something be three halves?

AL GORE

Because it's Manbearpig and he's trying to kill us all and I'm super cereal!

KYLE

Look, we're not too sure exactly what's causing the drought but we need help as soon as possible.

COUNCIL MEMBER

So did a bear have sex with a man, who then had sex with a pig?

AL GORE

I don't know. All I know is that he's out there and we have to stop him before he kills anyone else!

STAN

Can you just forget about the Manbearpig thing for a second and help us deal with the problem in our town?

COUNCIL MEMBER

But why would a man-bear want to have sex with a pig?

STAN

Aaahhhhhh!

INT CARTMANS ROOM

Cartman is on his computer checking the status of his charity and viewing video submissions.

CARTMAN

Let's see here. Over 874 viewers so far. Oh, here we go. We got another video submission (Video shows a guy hitting himself in the crotch with a hammer). Hahahaha, aaaaahahaha! This is so totally awesome! I can't believe these assholes are really buying into this shit. I mean people will do just about anything to look cool and important on the internet. So lame.

INT MARSH RESIDENCE

Randy is filming himself taking a challenge.

RANDY

Hi, my name is Randy and I'm here today because this cause has really touched my heart. I'm actually not too familiar with the disease, but I know it's very serious and killing a young little boy. So, I want to nominate my friends Gerald, Stephen and Stuart to take the P.E.N.I.S Challenge. You have 24 hours! (Randy hits himself in the crotch with a hammer). Ohh Christ! Holy fucking shit on the Pope. Goddamn that hurts. You see people? I'm very charitable and caring towards others with diseases, fucking shit. (Randy passes out from pain).

INT CONGRESS, WASHINGTON DC

The boys are still in congress listening to the same conversation.

COUNCIL MEMBER

So then two bears gave birth to a man-pig?

KYLE

Dude.

STAN

I told you!

COUNCIL MEMBER

And how does this "being" affect climate change?

AL GORE

All I know is that manbearpig is causing global warming and trying to kill us all! I'm super duper extra cereal.

KYLE

Fuck this, let's get out of here.

Kyle, Stan and Kenny leave the congress room and are beckoned by a scientist.

SCIENTIST

Pssst! Hey boys! You're the ones who spoke about the drought in Colorado?

STAN

Yeah? Who are you?

SCIENTIST

I'm a scientist and professor over at Georgetown University. I think the drought might be bigger than we think. You better come with me.

INT SCIENCE LAB

The boys follow the scientist to his lab to listen to what he has to say.

SCIENTIST

Thanks for coming. It seems the problem you boys complained about is on a much larger scale than any of us could have imagined. If you take a look at this monitor, you can see the water levels across the country. As you can see - the drought over in California is at code red. Throughout the map you have states reaching lower and lower water levels. For some reason water consumption has been rapidly increasing within the last few months, but I still can't figure

(MORE)

SCIENTIST (cont'd)
out why. Is there something you've noticed? Something that would get people to consume more water than usual?

KENNY
(Muffled speech) The ice bucket challenge?

KYLE
Dude, no way.

SCIENTIST
What's that?

STAN
The ALS Ice Bucket Challenge. It's a stupid trend that's been blowing up the internet recently asking people to dump buckets of ice water over their heads for charity.

SCIENTIST
That must be it! The water being wasted for both the water and ice would be extremely detrimental to our bodies of water. But why would people be so silly as to dump ice water over their heads?

STAN
Because people are fucking retarded.

SCIENTIST
Yes, you're right. Well retards as they may be, we have to get people to stop wasting water or this may very well be the extinction of life on Earth.

ACT III

INT LOCAL BAR.

The men of South Park are drinking at their local bar. Randy walks in limping from his injury with the hammer, but with a proud smug attitude.

RANDY
Hey Gerald, what's up?

GERALD

Oh hey Randy, just having a beer.
Did you catch the game last night?

RANDY

Game? (scoffs) I was too busy being
charitable for an important cause.

GERALD

Oh yeah? Which one?

RANDY

It's called P.E.N.I.S and it's a
very rare but serious disease. I
took the challenge myself and
nominated you as well. Think you're
man enough for the challenge?

GERALD

Of course I am, what do I need to
do?

RANDY

Take a hammer and hit yourself in
the genitals.

GERALD

What? Why would anyone do that?

RANDY

Because it's charitable. You have
to be selfless in these situations.

GERALD

Well that just sounds crazy! I'll
tell you what: you tell me how much
money you donated and I'll match
your price and write a check right
now.

RANDY

Mo-money? What money?

GERALD

The money you sent to this charity
after hitting yourself with a
hammer.

RANDY

Why would I send them money?

GERALD

You send money because that's the whole point of donating. Charities need to collect money to put it towards the betterment of whatever cause they're fighting for. You mean to tell me you just hit yourself with a hammer for no good reason?

RANDY

There is a good reason Gerald. It's called being charitable for the world to see you're a good person. Whatever, you're just too scared to take the challenge. Hey Stephen! Hey, I nominated you for the P.E.N.I.S challenge.

STEPHEN

Is that the one where you hit yourself in the dick with a hammer?

RANDY

It's for charity!

STEPHEN

Yeah, no thanks. I'm not a retard.

INT AL GORE'S ROOM.

Al Gore is recording himself creating a charity video.

AL GORE

Hi, I'm ex Vice President Al Gore and I am here to tell you about something that is super cereal. It's called Manbearpig. This creature is roaming our country trying to kill us all and causing global warming at the same time. At 6'9" this half man, half bear, half pig creature will stop at nothing until we are all dead. That is why I am creating the Manbearpig Challenge so that we can put an end to his destruction. I hereby nominate the entire country to take this challenge. Simply crap your pants, slap your bare nipples with fly swatters and do the Manbearpig call. (Al Gore demonstrates this act by crapping his pants, slapping

(MORE)

AL GORE (cont'd)
 his bare nipples with fly swatters
 and screaming out
 "Hukaaaaaaaaaaaaah"). America - you
 have 24 hours.

INT ELEMENTARY SCHOOL.

Cartman runs over to Jimmy for a conversation.

CARTMAN
 Jimmy! Oh, thank God. I need your
 help.

JIMMY
 What is it Eric?

CARTMAN
 I know you've held fundraisers in
 the school before and I need some
 help with my own charity.

JIMMY
 What seems to be the p-p-problem?

CARTMAN
 The stats - they're just not adding
 up. The fuck is this? I have over
 5,837,498 YouTube hits and only
 received a total of \$10 from Kyle's
 dad? Where's all the money?

JIMMY
 I don't know Eric. Sometimes people
 just don't feel a connection or a
 reason to donate to a certain
 charity. Maybe your cause didn't
 relate to them very much.

CARTMAN
 But people are still doing the
 challenge! Why would anyone not
 donate money but still do a stupid
 act like hitting themselves in the
 dick with a hammer?

JIMMY
 Because Eric, some people are
 re-re-re-reeaaaah-retarded.

INT. MARSH RESIDENCE

Randy is filming another charity video.

RANDY

Hi everybody! Randy here, and today I would like to accept the Manbearpig challenge! Yeah, there's this bear-pig thing that had sex with a man-bear or something and it's causing global warming and is super dangerous and scary. So since my friends have already proven to be selfish little uncharitable nazi's, I would like to nominate my son Stan to take the challenge. (Randy proceeds to crap his pants, slap his nipples and scream out the manbearpig call). Stan, my boy, you have 24 hours to complete this challenge!

EXT. CONGRESS, WASHINGTON DC.

The boys find Al Gore standing outside of congress.

KYLE

Mr. Gore, we have some important news!

AL GORE

You've completed the Manbearpig challenge?

KYLE

What? No! We just discovered why there is such a large drought in Colorado. In fact, it's effecting the entire country!

STAN

Yeah, it's that stupid Ice Bucket challenge. Everyone's wasting so much water trying to look cool on the internet that they're causing damage to our ecosystem. If we get people to stop doing stupid challenges then we can save the Earth. We have to tell everybody right away!

AL GORE

(Menacing) I don't think I can allow you to do that boys.

KYLE

What? Why?

AL GORE

It's Manbearpigs doing, and he needs to be stopped. I've come this far to catching him and I won't let you meddling kids get in the way.

STAN

I knew it! This guy is fucking crazy.

KYLE

Let's get out of here! Kenny, run!

The boys run away from Al Gore in a high speed chase all the way back to Colorado. A large action sequence takes the boys via helicopter, and car/bus back to South Park with Al Gore on their tails the whole time.

EXT. SOUTH PARK

The chase leads the boys crashing a gas truck into the side of a mountain leaving them face down in the snow.

STAN

Kyle? Kyle get up! Are you ok? We have to get to the internet!

KYLE

Dude where's Kenny?

AL GORE

Looking for this?

Al Gore has Kenny captured and points a gun to his head.

AL GORE

Don't you two move, or your little friend here gets it. I'm fucking cereal.

STAN

Dude, so what. Go ahead, shoot him.

AL GORE

What?

STAN

Yeah, fuck you and kill him if you want to be a total dick.

KYLE

Yeah, dude. Kenny always dies, it's fine.

AL GORE

You're willing to just sacrifice your friend?

STAN

Yeah, it's not that big a deal. Look, we don't have time for this we have to tell everybody to stop these retarded challenges. So uh, see you later I guess.

KYLE

Yeah, thanks Kenny! See you tomorrow, buddy.

STAN

Later!

Al Gore stands stunned with Kenny as the two boys walk away.

INT CARTMANS HOUSE

Stan and Kyle come knocking on Cartmans door in urgency.

STAN

Dude open up!

CARTMAN

What the hell do you guys want?

KYLE

Quick, we don't have much time! Cartman I know you won't like what we're about to tell you, but we have to put an end to these internet challenges and we need your help doing so.

CARTMAN

(Sighs) Okay, that's cool.

KYLE

Wait, what?

CARTMAN

Yeah, that's cool guys. My P.E.N.I.S Challenge wasn't really working out how I wanted it to. Sure, it was funny seeing a bunch

(MORE)

CARTMAN (cont'd)
of idiots hit themselves in the
dick with a hammer, but really I
just wanted the donations so I
could buy the new Xbox bundle. Once
I realized that people don't donate
to challenges and only do it to
look cool in front of their
friends, it kind of lost it's
charm. It seems there are just a
bunch of self righteous assholes
out there looking to fit in.

KYLE
Wow, Cartman. That's very mature of
you.

CARTMAN
Yeah, whatever. Let's just do this
thing.

The boys go into Cartmans room to film a video for the
internet.

STAN
Hello, my name is Stan. I'm not
here to perform the Ice Bucket
Challenge, or the P.E.N.I.S
challenge, or even the Manbearpig
challenge. I'm here today to tell
you all to stop. Just stop! All
these challenges are just stupid
and have become a trend or fad just
like "Planking" or "Faith Hilling."
Some of these charities mean well
but lose their message in between
the celebrities and people trying
to fit in by jumping on the
bandwagon. The Ice bucket challenge
in particular - think about how
much water is being wasted. We're
damaging the ecosystem, and for
what? To look important in front of
friends on the internet? What makes
things worse, is that the majority
of people perform the challenge and
don't even donate money to the
charity afterward, making them
self-important retarded assholes.
And, sure, maybe all this silliness
has lead to a greater awareness of
the disease but people are
forgetting the root of the cause.
